A LOOK BACK AT JUNETEENTH

A glance at how Represented Foundation celebrated Juneteenth!

Celebrations of this momentous day have been going on every year since **1865** and this year it is recognized as a federal holiday.

BLK MKT Vintage is a Brooklyn, NY-based antique/vintage concept shop, specializing in collectibles, cast-off's and curiosities, which **represent the richness of Black history and lived experience.** We're communicating very explicitly to black folks that 'not only do we see you, but we love you as well. **You're worthy**. What you've created is worthy. **You are important here.**

Our celebrations included a panel with

"There is no perfect time, and there are no perfect calculations. You will tell yourself in other ways it's time to go."

Jannah Handy

SOME WORDS OF WISDOM

"The business has taught me, and continues to teach me that I have always had it. I've had it."

Kiyanna Stewart

WE WERE SO HONORED TO BE ABLE TO COME TOGETHER TO HONOR FREEDOM DAY FESTIVALS OF CULTURE, REMEMBRANCE, AND RECOGNITION OF AFRICAN AMERICAN EXPERIENCES.

WE ALSO SPENT TIME ON OUR SOCIAL MEDIA PROMOTING SOME OF OUR FELLOWS AND BLACK-OWNED BRANDS THAT WE LOVE.
